

# PADEL COURTS FROM WBS SPORT

All our padel courts respect the **official padel rules of International Padel Federation** as well as their safety standards.

The prescribed dimensions for a padel court are **20 metres long and 10 metres wide**. The playing field area of the padel court is 200 m<sup>2</sup>.

All courts are available also in the **portable version**, the perfect solution for your special events, realized with a portable plate system.
